

## MESSAGE FROM THE DGSOM CIO

In the last year, Dean Kelsey Martin and Dr. Mike Pfeffer have been working closely and diligently on the recruitment of the DGIT Deputy Chief Information Officer to lead the Health Sciences Schools' IT support and services. The search for this position has garnered the attention of over 100 qualified applicants nationwide. The search is underway with an estimated completion by the end of this calendar year.

We are excited to continue to bring tools that will facilitate your work or advance your research. If you have feedback on our current services or would like to have our teams look into new software, please fill out our survey and our teams will get in touch.
